CompCare Medical Scheme is administered by Universal Healthcare Administrators (Pty) Ltd.

THE SYMMETRY^{ED} OPTION

You're a family man or woman, with kids at school, or perhaps one on the way, while rocking your thriving career. You want comprehensive day-to-day cover.

Live life to the fullest.
ADVENTURE SPORTS are covered.

Keep **YOUR WELLNESS** at heart.

Understanding Your Option

Let's get started on explaining some of the basics of your cover: You pay your contribution and based on that we pay your claims. Claims are incurred when you visit a doctor/dentist/optometrist/specialist, or any other registered healthcare provider, or if you are hospitalised.

Claims are divided into two categories, namely routine or day-to-day, out-of-hospital claims and in-hospital (otherwise known as major medical risk).

Your day-to-day claims are initially paid from your savings (PMSA) and thereafter your Annual Flexi Benefit (AFB).

This option also provides additional cover for specified benefits once your day-to-day benefits have been exhausted. You have a set amount of savings per year that you can use for day-to-day claims. If you don't use all your savings in one year, the balance will carry forward to the following year and remain available to you.

If you used all your savings and AFB before the end of the year, you will need to pay subsequent day-to-day claims from your pocket.

In-hospital claims are paid from the Scheme's risk pool.

Hospital expenses are unlimited at any Netcare hospital for planned procedures, but sub-limits may apply to certain specified services.
