THE MEDX OPTION

Comprehensive Hospital Plan

For more details on the MEDX option, please see the MEDX 12 page brochure.

This brochure is a summary of the benefits of CompCare Medical Scheme. All information relating to the 2022 CompCare Medical Scheme benefits and contributions are subject to formal approval by the Council for Medical Schemes. On joining the Scheme, all members will receive a detailed member brochure, as approved. The final registered Rules of the Scheme will apply.

All limits are pro-rated when a member or a beneficiary joins the scheme during the year, calculated from the date of registration to the end of that financial year. If you leave the Scheme before the year is up and have used all the funds in your savings account, you will owe the Scheme the advanced portion of the Medical Savings Account you have used as it is a pro-rated benefit allocated in advance for the full benefit year. This summary is for information purposes only and does not supersede the rules of the Scheme. In the event of a discrepancy between the summary and the rules, the rules will prevail.
